“At South Shore, each patient is approached with a **“Can Do Attitude”** and a sincere belief that they have the potential to improve” . . .

“South Shore Rehab gave me the strength and support I needed to get well. They gave me back what I thought was not possible and I have hope again.”

Exceptional Care

South Shore Rehabilitation and Nursing Center continues to lead the way as Long Island’s premier sub-acute facility. One of the cornerstones of its success is South Shore’s highly specialized Respiratory and Ventilator-Weaning Program. This unique 24-bed dedicated unit is staffed with Physicians, Pulmonary Specialists, a Nurse Practitioner, Respiratory Therapists and a team of highly trained professionals.

Patients are assessed by this interdisciplinary team of professionals who develop a custom-tailored care plan with the focus on restoring each patient to his or her fullest potential.

Skilled Team

Working together, this interdisciplinary team of professionals spearhead patient care under the direction of the Attending Physician.

- Pulmonologists
- Respiratory Therapists
- Nurse Practitioner
- Registered and Licensed Nurses & Nursing Team
- Physical Therapists
- Occupational Therapists
- Speech and Language Pathologists
- Recreational Therapists
- Social Workers
- Nutritionists
- Case Managers
- Psychiatrist and Psychologists

Facility and Amenities

As one of the most trusted facilities in the tri-state area for more than 50 years, South Shore’s 24-bed ventilator unit is fully equipped with the latest in technological advances.

In-wall oxygen and suctioning throughout also allows for increased patient mobility and freedom to enjoy the building and grounds.

South Shore provides additional services to ensure that your experience with us is superior. Some of these include:

- Wi-Fi
- Flat panel TVs
- Cable and phone service available
- Full service dining accommodating to therapeutic diets and individual preferences
- Varied recreational and social programs
 - Wii™ activities
 - Lovely outdoor grounds and patio
 - Holiday events
- Glass atrium lounge
- Spiritual services of all faiths
- Live musical events
 - Full service beauty/barber salon

Pulmonary Strengthening & Rehabilitation

State-of-the Art Portable Vents

Patients benefit from working with South Shore’s skilled therapy professionals in the on-site state-of-the-art gym. The rehab team is specially trained to understand the unique needs of respiratory patients and work closely with the pulmonary specialists and patient care team.
